

The Haw River Canoe & Kayak Company

**SUNSET PADDLE**  
**GLENCOE & SAXAPAHAW LAKES, NC**

**Trip Description:**

The lakes that are formed behind the dams at Glencoe and Saxapahaw, NC are wonderful places to enjoy a calm, late afternoon paddle. The remote margins next to the shorelines are home to turtles, owls, great blue herons, egrets, kingfishers, cormorants, turkey, beavers, muskrats, raccoon, squirrel and deer.

This canoe and/or kayak trip is designed to give participants an opportunity to get away from the turmoil and stress of work or school and spend a tranquil, late afternoon on the water. It also provides participants with opportunities to try different types of boats, look for wildlife, gain more paddling experience and enjoy a beautiful sunset.

**Logistics:**

This 2-½ hour paddle is offered at either of the two locations mentioned above. Participants will meet at 5:30 p.m. Before the trip begins, some instruction will be offered for those with little or no previous paddling experience. Our trip will conclude before it gets dark

A canoe or kayak, PFD (Personal Floatation Device), paddle and at least one experienced guide/naturalist are provided.
